How does Blanket Group Accident Medical Expense Insurance Work?

ACCIDENTAL INJURY OCCURS

An unexpected accident happens. This is the first step in activating your supplemental insurance plan.

Make sure to review the Certificate to see if there are any exclusions or limitations that apply to the accident.

SEEK MEDICAL CARE

Visit any healthcare provider for treatment. Use your ACA, group or other traditional health insurance card for the initial coverage.

There is no network. You can visit any provider for care.

FILE CLAIM FORM, EOB & BILLS

After receiving medical care, complete the claim form¹. Gather and submit itemized bills and your Explanation of Benefits (EOB).

¹Claim needs to be filed within 90 days from the date of the injury. Make sure to read Certificate for other time limits on coverage.

DEDUCTIBLE & CLAIM AMOUNT

After primary health insurance or other types of insurance (Auto, Worker's Comp, etc.) pays, the supplemental accident medical expense covers remaining out-of-pocket covered expenses up to \$5,000, with a \$100 deductible².

²Deductible is per accident. Maximum benefit for the Blanket Group Accident Medical Expense Insurance is \$5,000 per covered person, per year.

See page 6 for Certificates of Insurance for state specific details, definitions, terms, conditions, and limitations, coverage may not be available or may vary by state. How does Supplemental Critical Illness Insurance Work?

STEP 1: DIAGNOSIS OF A CRITICAL ILLNESS

The journey begins with the unfortunate event of being diagnosed for the **first time** with one of the covered critical illnesses. This initial diagnosis is the trigger for activating a claim for the critical illness insurance coverage.

STEP 2: FILE A CRITICAL ILLNESS CLAIM

Once diagnosed, the next step is to file a critical illness claim form. Submit the necessary documentation, including a confirmation of the diagnosis from your healthcare provider. The claim's administrator will review the documentation to confirm the first diagnosis of the covered illness.

STEP 3: RECEIVE A LUMP SUM PAYMENT

Upon confirmation of a first diagnosis of a covered critical illness by the claim's administrator, the covered member will receive a lump sum maximum benefit. If the diagnosis occurs **after** the first year from the effective date, the payment will be \$5,000. If it is **within** the first year, the benefit will be \$1,000. This payment provides financial support to help manage expenses related to the critical illness.

IMPORTANT DISCLAIMERS

One-Time Payment:

The lump sum payment is issued only once, and only upon the first diagnosis of a covered critical illness.

Coverage Termination: Once the benefit is paid, the coverage for that member terminates. Coverage also terminates when the member reaches the age of 65.

Eligible Members: Coverage applies exclusively to the member and their covered spouse. This is a one-time benefit.

By understanding these steps, you can better prepare for the unexpected and ensure you have the necessary financial support when facing a critical health challenge.

*See page 6 for Certificates of Insurance for state specific details, definitions, terms, conditions, and limitations, coverage may not be available or may vary by state. Benefit amounts are per covered person per coverage period unless otherwise stated. DISCLOSURES FOR UNITED BUSINESS ASSOCIATION (UBA) OPTIONAL MEMBERSHIP PLANS

The following disclosures are crucial for individuals considering membership in the United Business Association (UBA) and provide clarity regarding the nature of benefits and services available through association membership.

INSURANCE AND COVERAGE

Non-Qualifying Health Insurance: If any insurance is included in a UBA plan, it should be noted that this is not considered basic health insurance or major medical coverage. It does not qualify as minimum essential coverage under the Affordable Care Act as per M.G.L. c. 111M and 956 CMR 5.00. These supplemental insurance benefits are not and do not qualify as Medicare prescription drug plans.

Membership Requirement: Enrollment in association group insurance programs is contingent upon being a member of the United Business Association. Without membership, access to these programs is not available.

Group Insurance Policies: Various insurance companies have issued group insurance policies to the UBA as the group master policyholder.

MEMBERSHIP DETAILS

Review of Membership Guide: Members are urged to review the membership guide thoroughly to understand the full scope of benefits and services, including terms, conditions, details, definitions, age limits, state availability, and limitations.

Supplemental and Additional Services: Membership in UBA allows access to additional membership programs, such as Group Supplemental Insurance and non-insurance Benefit Boost, an a la carte non-insurance health and wellness service. However, purchasing or enrolling in these additional membership plans is not required for UBA membership.
